

Declaration of scientific integrity

I hereby declare that all my past and future work as an academic adheres/will adhere to the principles of good academic teaching and research, namely: carefulness, reliability, verifiability, impartiality and independence. These principles are also understood to include the intention not to falsify or misrepresent data or commit plagiarism.

I have read the Netherlands Code of Conduct for Scientific Practice published by the Association of Universities in the Netherlands, the VSNU, and the information about scientific integrity on the websites of Maastricht University and the VSNU and elsewhere.
